

Our Economy

- I can define and give examples of the four types of productive resources.
 - Land, labor, capital, entrepreneurship
- I can explain that governments provide certain types of good and services in a market economy.
 - Schools, libraries, roads, police/fire protection, military
- I can give examples of interdependence and trade and explain the benefits of voluntary exchange.
- I can explain the concept of opportunity cost as it relates to making a saving or spending choice.
